ADD/A (Colonel White [REDACTED])

22 May 1952

1. Told [REDACTED] that Mr. Wolf would not approve of additional air conditioning purchases from unvouchered funds until a study had been made indicating the air conditioning units we now had, where they were, and whether present urgent needs could not be met by reallocating equipment we already had. John will prepare such a study.

2. Shef Edwards is back from his trip to [REDACTED]. He says that things at [REDACTED] are going well from a security point of view and that they have ready by tomorrow. [REDACTED] had a couple of administrative requests which Shef will pass on today in a formal memorandum.

3. [REDACTED] has been unable to arrange for a second secretary for Mr. [REDACTED] but will continue to try. If he doesn't get one in the next day or so I will see what I can do.
